

# NORLEX

POOL & SPA

## Instructions of use

Version 1.1, September 2018

## Product name: Gel

Use: Cleaning.

### Description

Gel for removal of dirt and lime deposits in the waterline.

### Instructions

Apply with a soft brush a thin layer on to the tiles. Leave on to work for 10 minutes. Then scrub and rinse. In cases of heavy dirt and abrasive coatings, it may be necessary to repeat the process. Wear protective rubber gloves during application.

Before using the product, you should read the instructions and safety data sheet.
