POOL & SPA

Instructions of use

Version 1.1, September 2018

Product name: No Mold

Use: Grooming product.

Description

Liquid detergent for removal of mold / mildew stains and disinfection of surfaces in rental homes / luxury villas and hotels.

Instructions

Removal of mold and mildew stains: Spray No Mold on the affected areas. Let the product work for 3-5 minutes and wash with a damp cloth or let it sit and rinse with a water hose.

Disinfection of surfaces: Spray a thin layer of No Mold on the surface, and wash with a damp cloth.

The product has a bleaching effect and should not be used on textiles or other materials which cannot withstand bleaching agents. If in doubt, test on an inconspicuous area before using the product.

Before using the product, you should read the instructions and safety data sheet.
